If a Consultant, including any Joint Venture member, submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. In all such cases a shortlisted Consultant must obtain the written approval of the Client prior to the submission of the Proposal. “Mobilization of PMU and PPMUs based Consultants for BRCRN Project through Firm.” (Assignment 2)

1. Background and objectives

The Green Climate Fund (GCF) funded "Building a Resilient Churia Region in Nepal" (BRCRN) project was approved from the 24th board meeting of GCF in November 2019. The Ministry of Forests and Environment (MoFE) of the Government of Nepal (GoN) and the Food and Agriculture Organization (FAO) Nepal are jointly implementing the project as the executing entities. In addition to the executing agency, FAO is also the nominated Accredited Entity and therefore, responsible to the GCF for the full implementation of the project in 26 critical river systems in the southeast region of Nepal, covering parts of Koshi, Madhesh and Bagmati Province. The project has aimed to promote widespread adoption of climate-resilient land-use practices, confront deforestation and forest degradation challenges, better maintain the forest ecosystem, and build resilience to climate-induced hazards.

This project with the duration of seven years, started on 12 May 2020 and will be completed on 11 May 2027. In the preparatory phase, FAO provided intensive technical support to develop detailed plan of the river system, called critical ecosystem restoration plans (CERPs). On the other hand, MoFE has established and hosted a Project Management Unit (PMU) at the federal level and three provincial-level support teams, Provincial Project Management Units (PPMUs) in each province. The PPMUs are responsible to implement the project with strong stakeholder engagement, including all levels of government, Civil Society Organizations (CSOs), and community-based organizations (CBOs).

The Ministry of Forest and Environment has deputed government staff to full fill some of the approved positions in PMU and PPMUs for day-to-day implementation of BRCRN project. As the deputed staff from MOFE are not sufficient in terms of the numbers and technical capacity to implement the project activities, additional human resources have to be assigned to fulfill the gap. For this purpose, BRCRN intends to procure the services from a qualified service provider - a consulting firm to provide required human resources to fulfill the gap and to support PMU and PPMUs in project implementation.

2. Scope of Work for Consulting Firm

- a) **Mobilization of Experts:** The service provider will mobilize following experts' services (as point “j” below and as per given ToR) for the implementation of project activities in the field in Koshi, Madhesh and Bagmati Provinces and PMU Babarmahal.

Summary of estimated input days for each expert are as follows:

F.Y./ Position	Forestry Specialist (2 nos.)	NCDS (1 nos.)	NKMS (1 nos.)	SFMS (1 nos.)
080/81	75	75	75	75
081/82	300	300	300	125
082/83	175	300	300	---
083/84	---	150	150	---
Total days	550	825	825	200
In month	22	33	33	8

- b) **Organize a Kick off Meeting:** The Service Provider will organize a Kick Off meeting including all the relevant stakeholders (assigned individual consultants, concerned staff from BRCRN PMU, PPMU and FAO TA). During the Kick Off meeting following agenda will be discussed and agreed:
- Actual date of field mobilization
 - Logistic arrangements for office facilities, field travel etc.
 - Supervision, monitoring and reporting mechanism and schedule.
 - Timesheet, Field travel authorization approval, field report submission, payment schedule and documentation requirements for remuneration and TA/DA payment.
- c) **Supervision/monitoring of consultants' performance:** The Service Provider will regularly supervise/monitor the performance of the individual consultants and report to PMU and PPMU (in monthly basis) and make necessary corrective actions and/or suggest for improvement in consultants' performance as appropriate.
- d) **Corrective actions to be implemented:** The Service Provider shall implement the corrective measures as suggested by the PMU/PPMU or authorised BRCRN Officials, as assigned, within the specified days in the contract document.
- e) **Replacement of individual consultants:** If it is required to replace the individual consultants for the reason as specified in Government Procurement rules and the contract documents – i.e. (i) the consultant is so sick that s/he cannot work or (ii) meets an accident or dies or (iii) cannot work for other reasonable causes, or (iv) the consultant is reported as 'non-performer' or significantly 'low performer' by his/her supervisor, the consultant shall be replaced with the mutual written agreement between the service provider the chief of PMU (in recommendation of PPMU as appropriate). In such case the new replacement should be evaluated as equal or better qualified than to whom s/he will replace.
